Holidays and school calendar

The school calendar is available and constantly updated on our website <https://www.cisaedu.com/calendar>.

It is the parent's duty to stay up to date with our academic calendar.

Attendance and Punctuality

Students may arrive at school up to **15** minutes (**7h45-8h00**) before the start of the school day. All students are to be in class by the school's designated start time of **8h00**. Classes finishes at **14h30**

Absences:

Regular attendance is important for students to be successful learners. When a student is absent, they miss out on the sequence of instruction and must spend extra time catching up with their classmates upon returning to school.

Students who miss any exam will receive zero points without the possibility of remake.

Absences are monitored closely. Please call the Student Service Office (SAO) before **8h30** when your child will be absent. In case of a prolonged absence (equal or more than **3** days) the school should be informed in writing.

Student returning from a prolonged absence due to sickness should present a medical certificate to the SAO to be allowed in class.

We request that a family's travel plans respect the school calendar. Parents are urged to schedule doctor, dentist and other appointments after school hours or during weekends.

Late Arrival:

It is important that students arrive on time for the start of class. If you are dropping off your child **after** the beginning of class at **8h30** they won't be allowed to class and will be sent back home.

The accumulation of **3** late arrivals within the same week will result in a written notification for the parents. Excessive absences may affect a student's academic achievement.

- ❖ Students may **ONLY** be released to their parents and the persons designated in their application documents. Parents must ensure they have listed the names of any individuals who may pick up their child in the student's application documents. Parents are expected to inform the SAO of any changes regarding the designated persons. FAILURE OF PROVIDING SUCH INFORMATION EXEMPTS THE SCHOOL FROM ANY LIABILITY.

Early Dismissal:

Parents must notify the SAO in a written form if their child needs to leave school early. If parents cannot be reached regarding a request to leave school, individuals designated as an emergency contact may be contacted to approve the student's release from school.

Late Pick-Ups:

Students should be picked up at dismissal time. If a student is not picked up **90** minutes after the end of class day, he/she will be sent back to class. Excessive late pick-ups will result in a written notification for the parents.

Health

Accidents

It is expected that some students may lightly hurt themselves while playing, running, or doing certain activities, especially at the kindergarten level. When it happens, the student will be sent to the nurse and the parents/guardians may be informed. Not all cases are reported as some cases may pass unnoticed.

School Nurse

If a student becomes unwell while at school, the school nurse, or an assigned member, will evaluate the student's medical condition and come up with a consensus about the student's status. The school will notify the student's parents to come pick up their child.

Please note that if a student has a minor complaint, the school nurse may administer medication after parents authorization.

In Case of Emergency

In the case of accident, the school will contact the parents and/or emergency medical service if necessary. In the case of an emergency, the school will contact the

emergency medical service and will make medical decisions based on the doctor's recommendations, including surgical intervention. Parents will be informed if the school contacts the emergency medical service about their child's health, but it may not always be possible to do so.

CISA Bracelet

The CISA Bracelet is a requirement for all students as it is an essential part of our Safety Policy.

The Bracelet serves for attendance purposes and as a digital wallet.

Parents have to be familiar with the 'How to use the CISA Bracelet' manual.

The first break will start after the end of the second period from **10h05** to **10h25** (20 minutes). For Grade 1to12

The second break will start after the end of the fourth period from **12h05 to 12h50 (45 minutes)**. For Grades 1to12

Cafeteria

During breaks students can have access to the cafeteria to buy a variety of snacks and juices with the CISA bracelet or bring their own food.

As for footwear we recommend shoes with hard soles and be strapped or tied. Athletic shoes are always a good choice and allow students to fully participate in outdoor/physical education activities. Students who choose to wear sandals should bring tennis shoes, so they can participate safely in outdoor/sport activities without getting injured. **Flip flops and Crocs are not allowed.**

Hygiene

Students do not require a haircut; we prefer our student to be comfortable with their look. We only urge the parents to regularly check their children's hair for lice.

If a student needs to call a parent, they are to be sent by a teacher with a pass to call using the SAO phone.

The school is not responsible in case of damage or loss of any electronic devices at school or in possession of the administration.
