

PARENTS/STUDENTS RULES HANDBOOK

2022/2023
V1.0.0.1

Introduction

The School Handbook has been written to provide important information concerning specific rules, policies and procedures related to the safety and operation of our schools. For schools to operate safely and efficiently, parents and students are expected to be familiar and abide by the handbook procedures and rules. The student handbook summarizes policies and contains general guidelines and information. The content of this handbook's is subject to change throughout the academic year. An up-to-date version will be maintained on the school's website.

The administration will provide notice of changes through designated social media and email. It is the responsibility of students and parents to review such changes and to remain apprised of the current version of the handbook. If you have any questions regarding this handbook, please contact the administration.

Holidays and school calendar

The school calendar is available and constantly updated on our website <https://www.cisaedu.com/calendar>.

It is the parent's duty to stay up-to-date with our academic calendar.

Attendance and Punctuality

Students may arrive to school up to **15** minutes (**7h45-8h00**) before the start of the school day. All students are to be in class by the school's designated start time **8h00**. Classes finishes at **14h30**

Absences:

Regular attendance is important for students to be successful learners. When a student is absent, they miss out on the sequence of instruction and must spend extra time catching up with their classmates upon returning to school.

Absences are monitored closely. Please call the Student Service Office (SAO) before **8h30** when your child will be absent. In case of a prolonged absence (equal or more than **3** days) the school should be informed in writing. If the parents fail to notify the school, the school will attempt to contact the parents.

Student returning from a prolonged absence due to sickness should present a medical certificate to the SAO to be allowed in class.

We request that a family's travel plans respect the school calendar. Parents are urged to schedule doctor, dentist and other appointments after school hours or during weekends.

Late Arrival:

It is important that students arrive on time for the start of class. If you are dropping off your child **after** the beginning of class at **8h30**, please ensure that you accompany them to the SAO where they are given an admission to class permission.

The accumulation of **3** late arrivals within the same week will result in a written notification for the parents.

Excessive absences may affect a student's academic achievement.

- ❖ Students may **ONLY** be released to their parents and the persons designated in their application documents. Parents must insure they have listed the names of any individuals who may pick up their child in the student's application documents. Parents are expected to inform the SAO of any changes regarding the designated persons. **FAILURE OF PROVIDING SUCH INFORMATION EXEMPTS THE SCHOOL FROM ANY LIABILITY.**

Early Dismissal:

Parents must notify the SAO in a written form if their child needs to leave school early. If parents cannot be reached regarding a request to leave school, individuals designated as an emergency contact may be contacted to approve the student's release from school.

Late Pick-Ups:

Students should be picked up at dismissal time. If a student is not picked up **90** minutes after the end of class day, he/she will be sent back to class. Excessive late pick-ups will result in a written notification for the parents.

Health

School Nurse

If a student becomes unwell while at school, the school nurse or an assigned member, will evaluate the student's medical condition and come up with a consensus about the student's status. The school will notify the student's parents to come pick up their child.

Please note that if a student has a minor complaint, the school nurse may administer medication after parents

In Case of Emergency

In the case of accident, the school will contact the parents and/or emergency medical service if necessary. In the case of an emergency, the school will contact the emergency medical service and will make medical decisions based on the doctor's recommendations, including surgical intervention. Parents will be informed if the school contacts the emergency medical service about their child's health, but it may not always be possible to do so.

Medication

When it is necessary, the school nurse will administer oral and topical medications with WRITTEN parental consent only if the medication is in the original container and properly labeled. (Label and parental consent must include date, child's name, name of the medication, amount of medication, and the time that it is to be taken).

All medication will be kept in the infirmary except for inhalers which are kept with the student with parental permission.

The medication will be administered under the direction of the school nurse with the parent, or guardian, accepting ultimate responsibility for monitoring the effects and side-effects of the medication(s).

The school does not provide any over the counter medications.

Recess and Cafeteria

Recess

Students will have 2 breaks where they will have a supervised access to the school playground, restrooms, cafeteria and sport area (with exception of the swimming pool).

First break will start after the end of the second period from 10h05 to 10h25 (20 minutes). For Grade 1to12

Second break will start after the end of the fourth period from 12h05 to 12h50 (45 minutes). For Grades 1to12

Cafeteria

During breaks students can have access to the cafeteria to buy a variety of snacks and juices (all items sold at the cafeteria are monitored by the school) or bring their own food.

Behavior

The school will strive to give each student the best education and experience equally.

It will be expected from students to respect each other, their teachers and other school employees.

Bullying

Bullies are to be suspended temporarily or indefinitely without warning.

Cedars International School of Angola is committed to making our school a safe and caring environment for all students. We will treat each other with respect and refuse to tolerate bullying of any kind.

Offences include (and NOT limited to):

- Hurting someone physically by hitting, kicking, tripping, or pushing.
- Taking or damaging another person's property.
- Using put-downs (i.e., insulting or making fun of someone).

- Spreading rumors or untruths about someone at school, outside school or on social media.
- Leaving someone out on purpose or trying to get other kids not to play with someone.

Detention, Suspension and Expulsion

Students who do not follow the school guidelines and rules may receive vocal or written warnings, the accumulation of 3 warning may lead to detention.

Depending on the type of infringement the director can chose to remove the student from the class to complete his school activities or convoke the parents and suspend the student for a definite period.

For more serious violations the student can be definitively expelled from the school after meeting with parents.

Expelled students lose the right to refund any paid tuition fees.

Uniform/hygiene

Dress Code

Students are free to choose their clothes for school, we just emphasize on parent to over check that the clothes are school appropriate.

For desiring parents, we also have an optional school uniform consisting of a Polo with the CISA logo available for all grades and KGs.

It is expected from students to present themselves to school in clean and well-maintained clothes. If a student present to school with unacceptable clothes (dirty, damaged, stained...) parents will be contacted.

As for footwear we recommend shoes with hard sole and be strapped or tied. Athletic shoes are always a good choice and allow students to fully participate in outdoor/physical education activities. Students who choose to wear sandals may be asked to bring tennis shoes, so they can participate safely in outdoor/sport activities without getting injured. **Flip flops are not allowed.**

Hygiene

Students do not require a haircut; we prefer our student to be comfortable with their look. We only urge the parents to regularly check their children's hair for lice.

Students nails must always be trimmed especially KG students.

Electronic devices/Cell Phones

Cell phones and personal electronic devices are not permitted. Students are to put their cell phones and personal electronic devices away upon arrival. They are to be kept off while in backpacks and lockers throughout the student's time at school. Failure to comply will result in the phone being taken away and possibly in disciplinary action. If a student needs to call a parent, they are to be sent by a teacher with a pass to call using the SAO phone.

The school is not responsible in case of damaged or loss of any electronic devices.

Students Pictures and Video

During any curricular or extra-curricular activities our media team may take pictures and videos including the students, we may use this pictures and videos for presentation, publicity, or any other appropriate purposes.

Valuables

We recommend that students keep their valuable items at home (neckless, bracelet, earrings, etc.) or submitted to the teacher at the beginning of the day to be reclaimed at the end of classes.

Any item found by the teacher will be held until claimed by students or parents.

The school is not responsible in case of damaged or loss of personal belonging.

Vandalism

All classrooms at CISA are equipped with Smart Screens.

Students should use all school material with care and keep them in good condition.

Students caught vandalizing school material will be held responsible, billed, and sanctioned accordingly.

Bus

School rules apply to the bus, students are expected to keep good behavior at all times.

We kindly urge parents/students to be ready for the bus on time for pickup in the morning as drivers must stay on schedule, they have been instructed not to wait beyond the scheduled time. This is a simple rule of courtesy towards all children who are on time, and for the proper functioning of the service. If your child misses the bus, please contact the school immediately and drive your child to school.

Please contact the bus driver ahead of time in case of absence.

Due to circumstances beyond our control, (traffic, weather conditions), the bus may at times run late. We will always do our best to contact you as soon as we are informed of an excessive delay.

Parents should notify in written in case a student will not use the bus at the end of school day.

Fees

We would appreciate the parent's cooperation in settling their tuition fees on time to avoid the penalty fee. Failure to do so could affect the student's academic progress and may deny the student to re-enroll for next academic year.

Payment deadlines are present on our website.

Our tuition fees are subject to change without any prior notice.
